Saturday, September 18 at 5PM

Compete to win a prize!

Did You Know

Between 1820-1870, over 7.5 million immigrants flooded into the United States. Of those immigrants, one-third were from Ireland and a third from Germany... that's almost 5 million immigrants! During that time, much of our country was built by the immigrant labor provided by Irish and German natives. "Prost" to our German friends! We did a pretty good job!
